WITT O'BRIEN'S BY THE NUMBERS

Over the past 20 years, we have helped clients respond to over 1000 emergencies and crises

We provide key resilience services to more than 56% of oil & gas E&P and 53% of pipelines in the US

We help more than 40% of vessels sailing into every major port meet their resilience requirements

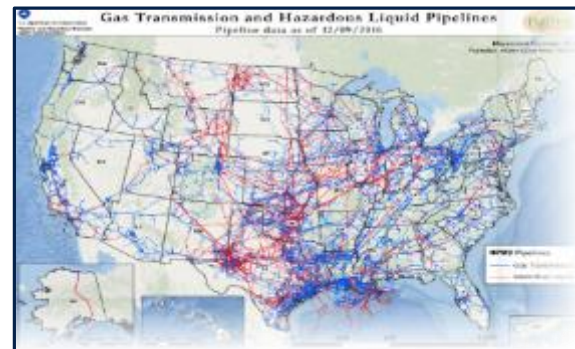

We have helped over 105 University campuses around the country, including a student population of nearly 2 million

Since 2001, we have helped governments, communities and business recover from 25/29 (86%) of US disasters with > \$1B in infrastructure damage - serving over two thirds of the US population.

ENERGY: OIL & GAS

- 250+ O&G, Utility clients
- IMT Response, Training and Exercise Coverage, Resilience Consulting, Preparedness, Compliance Consulting, Operational Risk Mitigation, Due Diligence Advisement

ENERGY: OIL & GAS

Our subject matter experts, a team composed of those that have worked in various industry roles, seasoned consultants, as well as former regulators, have worked in a broad array of industries providing a rich and robust set of real-life experiences, which include:
